

MASS FLOW CONTROLLER

65K TFT-LCD

MFCB series

Features

Response Time

Short response
< 0.3 S

Communication Protocol

RS485 Modbus RTU

< Controller >	
	50
PV	SLPM
	50
SP4	SLPM

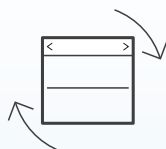

Display

65K Full color
TFT-LCD display

Signal Switching

Analog and digital signals
can be switched

4 Directions Display

Display adjusts by installation
orientation for easy reading

Applicable Industries

Semiconductor,
Laser welding, IoT
